NDSU CELEBRATES 50TH ANNIVERSARY OF CONFERRING DOCTORAL DEGREES

North Dakota State University celebrates the 50th anniversary of conferring its first doctoral degrees and the graduating class of 1963. That year, NDSU offered five doctoral degree programs. Today, NDSU offers 50 doctoral degree programs, 86 master's degree programs and 12 certificate programs. Graduate education underlies the emergence of NDSU as a national research institution as recognized by the Carnegie Commission on Higher Education. The graduating class of 2013 includes 123 professional doctoral and research degree recipients and 175 master's degree recipients.

The first NDSU doctorates were conferred in 1963 to the following five graduate students:

Taki John Anagnostou, Chemistry	Jerome A. Onsager, Entomology
Lola V. Hopkins, Pharmacy	Sol Shulman, Paint Chemistry
Frank E. LeGrand, Agronomy	

Dr. Frank "Ed" LeGrand

NDSU recognizes alumnus Frank "Ed" LeGrand, a retired Oklahoma State University professor and the only living doctoral graduate from the 1963 graduating class.

As the first in his family to attend college, LeGrand earned a Bachelor of Science degree in agronomy from Oklahoma State University in 1959. He was awarded a U.S. Department of Health, Education and Welfare National Defense Education Fellowship to pursue a degree in plant sciences and earned the first doctorate in agronomy from NDSU.

LeGrand was well known for his knowledge and expertise about wheat production agriculture. He held Extension meetings in every county in Oklahoma and wrote many publications related to wheat production. He wrote extensively about the agricultural production of several crops adapted to Oklahoma.

Named professor and director of Oklahoma Pedigreed Seed Services in 1979, LeGrand also provided leadership and direction to Oklahoma Foundation Seed Stocks Inc. and the Oklahoma Crop Movement Association. He held that position until his retirement in 1994.

LeGrand lives in Stillwater, Okla., where he farms and ranches 1,000 acres. He has received the Governor's Conservation Award twice for his conservation practices. He and his wife of 63 years, Alberta, have five children (their fifth child was born in Fargo while LeGrand was pursuing his doctorate) and three grandchildren.

CLASS REPRESENTATIVE

Kylie Artz, a native of Bottineau, N.D., is receiving a Bachelor of Science degree in microbiology. Active on the NDSU campus, she has participated in Bison Ambassadors, Order of Omega and Students Today Leaders Forever. Artz also serves as president of Blue Key Honor Society and as an NDSU Ag Ambassador representing the College of Agriculture, Food Systems, and Natural Resources. She welcomes prospective students and their families to campus by guiding tours through the Office of Admission. Artz also has been an active volunteer with the Dorothy Day Food Pantry, the Salvation Army, the NDSU Library, Girl Scouts of the USA, the Red River Children's Advocacy Center, Nokomis Childcare, the NDSU Career Center, the Sophomore Mentorship Program at NDSU, Fill the Dome, the Great Plains Food Bank and Hoops for Hannah. She also was involved with the North Dakota Leadership Seminar, a program that encourages high school sophomores to gain leadership skills through service opportunities.

COMMENCEMENT SOLOIST

Tyler Raad is receiving a Master of Music degree with a concentration in vocal performance. The Spearfish, S.D., native is an award-winning tenor who has won first place in the National Association of Teachers of Singing competition in both South Dakota and North Dakota. He earned his bachelor's degrees in music and theatre performance from Black Hills State University. He earned a graduate assistantship at NDSU, where he has studied under the guidance of Robert Jones, professor of voice. During his graduate work at NDSU, Raad was in several ensembles such as the NDSU Concert Choir and Madrigal Singers. He also was in several NDSU productions, including "Messiah," "The Mikado" and "The Magic Flute." Raad is the founder and president of the Fargo Camerata, a student organization dedicated to bringing opera experiences to students and the community. An active performer and musician in the Fargo-Moorhead area, he plans to pursue his doctorate at the NDSU School of Music.

STUDENT FOCUSED LAND GRANT RESEARCH UNIVERSITY

NDSU THEN

NDSU NOW

North Dakota had been a state a little less than a year when Governor John Miller signed a bill on March 8, 1890, designating a square mile of land adjoining Fargo as the site of the new campus and demonstration farm under the name, North Dakota Agricultural College.

A commitment to the federal government was honored by establishing a college of agriculture and mechanic arts under the Morrill Act of 1862. The course of studies was to be a harmonious blend of technical and academic subjects.

Known as a people's college, NDSU was part of a bold new experiment to provide access to a college education for the common person. That was how it started.

NDSU is a student-focused, land-grant, research university that is ranked as one of 108 prestigious universities in the elite "Very High Research Activity" category in the latest Carnegie Classifications of Institutions of Higher Education. NDSU is the first and only institution in North Dakota to achieve the status. NDSU is an energized, vibrant institution with an enrollment of more than 14,000 undergraduate and graduate students.

NDSU researchers are leaders in areas such as nanotechnology, microelectronics, polymers, food safety, plant science, vaccinology, biotechnology, robotics and materials science.

THE ACADEMIC PROCESSIONAL

The academic processional that officially preludes the Commencement ceremonies on college and university campuses is one of the oldest and most colorful customs that link 21st century education with its early origins.

To signal the achievements of their students, American institutions of higher learning conduct a formal ceremony to award the appropriate degrees earned at the conclusion of prescribed study. The action of taking the degree — baccalaureate, master's, or doctorate, as well as the designation of the day itself — is Commencement. Various explanations of the term Commencement are possible. The most likely is that centuries ago the bachelor, originally an apprentice, began an apprenticeship upon that day; and with the degree of M.A. and Ph.D., the masters and the doctors commenced their work upon the day their degrees were conferred. So today, students, having finished their preliminary education, set out upon the career for which they have prepared.

ACADEMIC APPAREL

As cited in Academic Heraldry in America (Sheard, 1962), the academic regalia worn at Commencement is of medieval origin. The scholars of Bologna, Salamanca, Paris, Oxford, Cambridge, Louvain, and Heidelberg dressed in a manner to distinguish themselves from the merchants and other townspeople. Since the 11th century, when the rise of the universities began, “learned clerks” robed themselves in gowns, caps, and hoods, thus marking a difference between “town and gown.”

By this apparel they were recognized as belonging to the teaching guild, which was the Guild of the Master of Arts. In this organization the bachelor was the apprentice of the master. This relationship was the forerunner of today's academic structure.

Today, customs vary in different parts of the world. Generally in Europe, professors wear the type of garment customary in the university where they are lecturing. In the United States professors continue to wear the gown and hood of the university from which they received their highest degree. The gown, in origin, may have been simply a type of overcoat to protect the teacher from the cold in the unheated buildings; the cut or style seems to be derived from ecclesiastical attire. It has usually been black; however, in recent years some institutions have adopted a school color for their gowns. The gowns of bachelors and masters are usually without trimmings of any sort, whereas those of doctors are faced down the front with velvet and adorned with three velvet bars on the sleeves.

The cap or “mortarboard” may have come from the squarish cap worn by the masons of the Middle Ages, or perhaps was suggested by the shape of the books that occupied so much of the time of the scholar. Attached to a button atop the “mortarboard” is a tassel; bachelor's and master's are black or color appropriate to the subject; those of doctors are black or golden. The tassel is worn on the left side by those who are receiving or have received a degree. For photography purposes, a candidate's tassel may be worn on the right side of the mortarboard.

The hood, a triangular fold of cloth worn over the back of the gown, is faced with colors which denote the field of study represented by the wearer's degree; the colors of the lining are those of the college or university by which the degree was granted. The length of the hood is correspondingly longer with each higher degree.

The wide velvet borders extending down the front of the doctoral gown, the velvet bars on the sleeves, and the borders of most hoods, are colored according to the scholarly field of the wearer. The most usual of these doctoral hood colors are the following:

<i>blue violet</i>	Architecture
<i>white</i>	Arts, Letters, and Humanities
<i>copper</i>	Economics
<i>light blue</i>	Education
<i>orange</i>	Engineering
<i>brown</i>	Fine Arts
<i>crimson</i>	Communication
<i>purple</i>	Law
<i>lemon</i>	Library Science
<i>pink</i>	Music
<i>dark blue</i>	Philosophy
<i>sage green</i>	Physical Education
<i>salmon pink</i>	Public Health
<i>gold</i>	Science
<i>scarlet</i>	Theology

While the arrangement of colors is pleasing to the eye and add beauty and impressiveness to ceremonial processions, there is historic significance attached to their selection.

The white for arts and letters comes from the white fur of the Oxford and Cambridge B.A. hoods. The red for theology, as used by cardinals for centuries, follows the traditional color of the church and signifies ardent love and zeal for the faith. The purple for law comes from the royal purple of the king's courts. The green for medicine, from the stripe in the army surgeon's uniform, and earlier from the color of medicinal herbs.

The degrees in philosophy are shown by blue, the color of truth and wisdom. Science by gold-yellow, which signifies the wealth contributed

by scientific discoveries. Pink was taken from the pink brocade prescribed for the Oxford doctors of music. Olive, a shade of green, was selected for pharmacy, which is closely allied to medicine; while russet brown, the color of dress worn by old English foresters, indicates forestry.

Graduate candidates wear a hood colored according to the scholarly field of the wearer. All graduate candidates wear a black tassel. At North Dakota State University the color of the tassel signifies the college in which the undergraduate degree is earned:

<i>maize</i>	Agriculture, Food Systems, and Natural Resources
<i>brown</i>	Landscape Architecture and Environmental Design
<i>white</i>	Arts, Humanities and Social Sciences
<i>drab</i>	Business
<i>light blue</i>	Education
<i>orange</i>	Engineering
<i>maroon</i>	Human Development
<i>apricot</i>	Nursing
<i>olive green</i>	Pharmacy
<i>golden yellow</i>	Science and Mathematics
<i>white</i>	University Studies

UNIVERSITY MACE

The mace has an ancient history of use as a symbol of authority. Originally used by knights or a royal bodyguard to protect a king in processions, the mace evolved to assume more ceremonial functions by the 14th century. Today, as a symbol of order and authority, the NDSU mace is carried by the Stage Marshal, the presiding officer of the Faculty Senate, before the president and other platform party dignitaries in Commencement processions.

GRADUATION HONORS

WITH HONOR: Graduation with honor applies only to the baccalaureate degree. Graduate courses will not be included in the computation. Candidates who entered NDSU as freshmen and who have earned an institutional grade-point average greater than or equal to 3.50 and less than 3.70 will be graduated Cum Laude, an institutional grade-point average greater than or equal to 3.70 and less than 3.90 will be graduated Magna Cum Laude, and an institutional grade-point average greater than or equal to 3.90 and up to 4.0 will be graduated Summa Cum Laude. Candidates with transfer credits must meet the institutional grade-point average qualifications with the above criteria for all credits earned at NDSU, as well as a cumulative grade-point average for all credits earned including those from transfer work. All grades and all attempts of repeated courses will be included in grade-point average calculations for graduating with honor. The honor medallion is a gold medallion on a yellow ribbon and is worn around the neck. The medallion features the NDSU seal.

Other academic honors include the following:

BETA GAMMA SIGMA, *international business honor society*: A blue and gold cord is worn around the neck. Students, by class, that qualify are: juniors, top 7 percent; seniors, top 10 percent; and MBA students, top 20 percent.

BLUE KEY, *national honor society*: A blue and gold medallion with a blue ribbon is worn around the neck. Blue Key recognizes students for remarkable leadership and outstanding service to the university and the community. Academic achievement of members must be within the top 35 percent of their class.

GAMMA SIGMA DELTA, *international agriculture honor society*: A forest green and light tan honor cord is worn around the neck. Membership is conferred upon selected students who have demonstrated superior teaching, research, or service to agriculture while maintaining a 3.5 grade-point average.

Members represent agricultural excellence at the undergraduate, graduate, and post-graduate levels.

GOLDEN KEY, *international honor society*: A gold medallion on a blue and gold ribbon is worn around the neck. Golden Key recognizes juniors and seniors from all disciplines who are in the top 15 percent of their class.

LAMBDA BETA HONOR SOCIETY, *national respiratory care honor society*: A forest green and black ribbon pin is worn on the gown. Members must have completed at least 50 percent of their course work and rank academically in the top 25 percent of the respiratory care class.

LAMBDA PI ETA, *national communication honorary society*: A gold cord is worn around the neck. To qualify, members must have a cumulative grade-point average of 3.0 with a 3.25 in their human or mass communication major courses.

MORTAR BOARD, *national honor society*: A gold medallion is worn around the neck. Mortar Board recognizes college seniors for distinguished ability and achievement in scholarship, leadership and service. Members must also meet at least a 3.0 grade-point average.

NATIONAL RESIDENCE HALL *Honor*: A navy blue honor cord is worn around the neck. To qualify, members must demonstrate leadership and academic qualities within the top 1 percent of the residence hall population.

PHI ALPHA THETA, *national history honor society*: A pale blue and red cord is worn around the neck. Members represent excellence in historical research at all levels: undergraduate, graduate and post-graduate.

PHI ETA SIGMA, *national honor society*: A black and gold cord worn around the neck. To qualify, students must have a 3.50 institutional grade-point average at the close of any full-time semester during their first year.

PHI KAPPA PHI, honorary scholastic society: A gold medallion with blue ribbon is worn around the neck. Members are chosen from among those students in the top 10 percent of their class.

PHI UPSILON OMEGON (PHI U), honorary Human Development and Education society: Double cords of entwined purple, white and yellow are worn around the neck. Academic achievement must be within the top 35 percent of majors in the field who qualify for membership.

PI SIGMA ALPHA, national political science honor society: A cloisonné, medallion on a red ribbon, is worn around the neck. To qualify, students must have a cumulative grade-point average of 3.0 and have a 3.0 grade-point average in all political science courses.

PI TAU SIGMA, international mechanical engineering honor society: A white stole with the Pi Tau Sigma coat of arms is worn around the neck. To qualify, juniors in the mechanical engineering program must be in the top 25 percent of their class; as non-graduating seniors, members must be in the top 35 percent of their class.

PSI CHI, national psychology honor society: A silver stole is worn around the neck. To qualify, members must have a 3.0 cumulative grade-point average, a 3.50 major grade-point average and rank in the upper 35 percent of their class.

RHO CHI SOCIETY, national pharmacy honor society: A purple and white honor cord is worn around the neck. To qualify, members must have completed their second year of the professional program. Membership is offered to the top 20 percent of the class.

SIGMA THETA TAU, international honor society of nursing: An orchid and white cord is worn around the neck. To qualify, members must have a 3.0 grade-point average, rank in the upper 35 percent of their nursing class, and meet the expectation of academic integrity.

TO THE 2013 GRADUATE

Congratulations on earning your degree. You may not notice the difference, but today, along with your colleagues, you have become alumni. For you, one era has passed; another is about to begin.

You are a member of the Bison family and will continue to carry the reputation of North Dakota State University through your activities and accomplishments. You exemplify the results of a good education: a critical mind, a discerning spirit, higher values, a sense of commitment and the privilege of service.

By virtue of graduation, you are a member of the Alumni Association. We will provide you a continued NDSU connection with information, services, events, Bison Pride items and a Career Center link. Services include an online directory listing your classmates, Web postcards, screensavers, event information, City Ambassadors to assist with relocation questions and e-mail forwarding. Also, like us on Facebook at facebook.com/ndsu.fargo, follow us on Twitter (@ndsunews) and join our LinkedIn group (NDSUAlumni). We hope these resources help you to stay in touch with your friends and classmates.

Your Alumni Association works closely with the NDSU Career Center to provide alumni services such as CAREERlink, an alumni job board, invitation to attend career fairs and access to online resources continue for all graduates. Alumni within five (5) years of graduation also have access to one-on-one resume critiques, cover letter reviews, interview preparation and job search strategies. All of the Alumni Association and Career Center services can be found at www.ndsualumni.com.

As alumni, you can assist the university in many ways. You can recruit highly qualified students, like yourself. You can proudly represent NDSU through personal and occupational achievements. You can give back financially through the Development Foundation. You can work in a volunteer capacity to coordinate special events conducted across the United States and internationally.

To you, your family, friends and those who helped you arrive here today, we extend our best wishes. You are joining a great family of more than 80,000 NDSU alumni working together to make a difference around the world. Welcome to the Alumni Association.

Go Bison!

THIS PROGRAM IS NOT AN OFFICIAL GRADUATION LIST.

While every effort is made to ensure accuracy in this Commencement program, printing deadlines may result in omission of some names and use of names of persons not completing graduation requirements as intended. This printed program, therefore, should not be used to determine a student's academic or degree status. The university's official registry for conferral of degrees is the student's permanent academic record, kept by the Office of Registration and Records.

North Dakota State University does not discriminate on the basis of age, color, disability, gender expression/identity, genetic information, marital status, national origin, public assistance status, race, religion, sex, sexual orientation or status as a U.S. veteran. Direct inquiries to the Vice President for Equity, Diversity and Global Outreach, 205 Old Main, (701) 231-7708.

BANNER

THE STAR-SPANGLED BANNER

BY FRANCIS SCOTT KEY

OH, SAY CAN YOU SEE BY THE DAWN'S EARLY LIGHT,
WHAT SO PROUDLY WE HAILED AT THE TWILIGHT'S LAST GLEAMING?
WHOSE BROAD STRIPES AND BRIGHT STARS, THRU THE PERILOUS FIGHT,
O'ER THE RAMPARTS WE WATCHED, WERE SO GALLANTLY STREAMING?
AND THE ROCKETS' RED GLARE, THE BOMBS BURSTING IN AIR,
GAVE PROOF THROUGH THE NIGHT THAT OUR FLAG WAS STILL THERE.
OH, SAY DOES THAT STAR-SPANGLED BANNER YET WAVE
O'ER THE LAND OF THE FREE AND THE HOME OF THE BRAVE?

THE YELLOW GREEN AND THE

WORDS BY A.E. MINARD
MUSIC BY DR. C.S. PUTNAM

HO, A CHEER FOR GREEN AND YELLOW
UP WITH YELLOW AND THE GREEN,
THEY'RE THE SHADES THAT DECK OUR PRAIRIES
FAR AND WIDE WITH GLORIOUS SHEEN,
FIELDS OF WAVING GREEN IN SPRINGTIME
GOLDEN YELLOW IN THE FALL —
HOW THE GREAT HIGH-ARCHING HEAVEN
LOOKS AND LAUGHS UPON IT ALL.
